(d) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI RAFIQUE ALAM) : (a) Yes, Sir.

(b) to (d) The Lithotripsy machine has already been installed in All India Institute of Medical Sciences, New Delhi. It is functional and is under the period of trial. It could not be used earlier as at the time of its installation, it was observed that the existing air-conditioning facility was not sufficient for the hot weather. The additional air-conditioning has been provided and the Department of Urology has tested the disintegration of stone on a dummy and also conducted a successful trial on a patient whose stone disintegrated completely and the urinary tract was totally cleared of all gravel in about three weeks' time, indicating the efficacy of the machine.
